## Saturday, May 18, 2024

11:00am Memorial Dedication  
Westbrook Veterans Memorial Park, Canton, Ohio

1:00pm Luncheon  
MAPS Air Museum , North Canton, Ohio

You are invited to attend the Celebration of Jacob Nagle, who was only 16 when he was in the Continental Army and later the Navy during the Revolutionary War . Being captured by the British he became a seaman in the Royal Navy. At the age of 27, he sailed on the H.M.S.Sirius when it arrived in Sydney Cove in what is now Australia. Leaving no descendants, he spent his final years in Stark County living near his sister and working as a surveyor and in the recorders office. We know of his journey through his journal that was verified and transcribed by John C Dann through his book *The Nagle Journal*

The celebration begins at Westbrook Veterans memorial park in Canton where the memorial plaques for the DAR, SAR and Fellowship of First Fleeters will be dedicated. A lunch and program at the MAPS Air Museum will follow.

Please join the celebration, which will include the SAR Honor Guard, Guest speaker John C Dann, raffle baskets, and self guided tour of the MAPS Air Museum and so much more!

Lunch Tickets will be "will call" at the events and must be purchased in advance (deadline May 4, 2024 or until we sell out)
